TUITION

First month's tuition, full or prorated, is due at the time of enrollment. All families must have a current card on file and autopay is required. Accounts that do not have a current card on file may be subject to class removal or loss of membership privileges.

Tuition will be pulled from the required account on file on the first of each month (August - May). A \$35 bounce fee will be assessed to any returned checks and an additional \$35 late fee will apply to any accounts not paid in full by the 5th of the month. If you would prefer to avoid auto-withdraw, please bring cash or check into the office during our scheduled office hours by the 25th of the month prior.

If you choose to pay by cash or check, a current card is still required to be on file. Payments made by cash or check after this date may not clear our system before auto-withdraw pulls from accounts and could result in a double pull. This would place a non-refundable credit on your account. All payments must be up to date and balance paid in full in order for a student to receive apparel or merchandise, or before participating in class, any special event, showcase, recital or competition.

TUITION (CONT.)

Tuition is all-inclusive, meaning all necessary show costs are covered in your monthly tuition, so there are no surprises. Tuition covers all dance classes, costumes, a video of our end of year showcase, a limited number of tickets to our annual showcase and any applicable credit card/bank processing fees. Tuition does not include tights or dance shoes, as the need for those vary from class to class.

Tuition is Paid on the 1st of the month August - May.
(August payment is prorated to reflect the late start date)

45 Min. Class - \$85

1 Hour Long Class - \$95/month

Due to our all-inclusive pricing structure, late enrollments will be charged the following additional fee per class based on enrollment month.

October - \$10 fee

November - \$20 fee

December - \$30 fee

January - \$40 fee

February - \$50

TUITION (CONT.)

After January, we cannot guarantee the class costume will still be available to order. After December 1st, we can't guarantee that your dancer's class costume will still be available to order, so please ask us to confirm show enrollment.

If multiple parents or guardians are contributing to a child's tuition, the studio will not mediate or manage divided payment arrangements. All payment coordination should be handled privately between the responsible parties.

Adult Classes

Drop in Rate - \$20/single class

Session pricing can be found in your Dance Studio Pro portal.

TUITION (CONT.)

Private Lessons

Private lessons are available and can be set up through our office! Contact us for more information.

Prices for private lessons are as follows :

1/2 hour: \$40

1 hour: \$70

Students who do not attend a private lesson without prior notice will be considered a “no-show.” If you are unable to make a private lesson, students must cancel or reschedule private lessons at least 24 hours in advance to avoid being charged.

ADDITIONAL Account Charges

Families can purchase dancewear, shoes, attire and other Dreamer's Dance Company spirit items from our Boutique and place the fees to the account. Any charges placed on your account for any items or events other than tuition will be pulled from your credit card on file within 24 hours and subject to the \$35 bounce fee for any failed pulls. Dreamer's Dance Company is not responsible for any bank-assessed bounce fees due to failed pulls. Please pay cash or check at the time of purchase or enrollment to avoid auto-withdraw. All transactions are subject to sales tax in accordance with Florida State law.

ATTENDANCE

Please submit your absence through your DSP Parent Portal as soon as possible if your student is going to miss class for any reason. If a student wishes to make up a missed class due to unforeseen or unavoidable circumstances, they may schedule a makeup class within a month of the date of absence.

Parents should contact us at admin@dreamersdanceco.com if they wish to schedule a makeup class. Tuition will not be discounted due to missed classes. Students may not make up any classes from April 1st - our end of year showcase.

ENROLLMENT

If you or your student decides mid-year not to continue with a class, we must be notified by email to admin@dreamersdanceco.com no later than the 20th of the month prior. Any withdrawal notifications received later than this date will still be subject to the following month's tuition payment.

If the withdrawal happens after January 1st, a \$80 withdrawal fee per class will be automatically drafted at that time. All withdrawal notifications must be sent by email to admin@dreamersdanceco.com. No withdrawal requests made in person to any staff of Dreamer's Dance Company or via any other method (call, text, social media, etc...) are considered appropriate or applicable.

STUDIO CLASS CANCELLATIONS

DDC may cancel class due to inclement weather or other emergencies. We will send out an email, update our studio's Facebook and Instagram pages and post in our Students, Families and Friends Facebook Group. Please check all outlets for the fastest and most accurate information.

In the event an instructor is ill and we are unable to find an adequate substitute, DDC reserves the right to cancel the class. One canceled class is built into your tuition.

PARENT OBSERVATION

Parents are invited to enjoy watching their children learn and grow from the comfort of our lobby view cameras. Parents are not permitted to enter the studio at any time during class hours with the exception of our Special Dreamers and Tiny Dreamers class, or if they are invited to join. This includes popping your head in to check on your student, dropping off a water bottle, bringing them in late, etc. These tasks should be handled through the front desk.

Our student's dance education is of utmost importance to us and is best achieved with minimal interruption.

We kindly ask that all street shoes be removed before entering the dance space to help keep our floors clean and safe for dancing.

LOBBY EXPECTATIONS

Please be considerate of other families as well as our students while in the lobby or viewing areas of the studio. Just as you can hear some of the instructions coming from inside the studio, dancers and instructors inside the studio can hear loud noises from the lobby.

Siblings of students need to be supervised at all times within the walls of Dreamer's Dance Company. There should be no running, yelling, or playing with water fountains, merchandise in the lobby, or classroom doors.

As a member of the DDC family, we want everyone to take pride in our space, so we also ask that children/parents clean up after themselves before leaving. Please ensure that any trash, toys, or personal belongings are picked up and properly disposed of or taken with you.

CLASSROOM EXPECTATIONS

Students should be ready to enter class on time, have used the restroom, with water bottle in hand, hair up pulled back neatly and in the appropriate dress code for the class they are preparing to enter.

If your student is not in the appropriate attire on a recurring basis, they may be asked to sit out and observe class for the day.

DDC Team students - this will count as an unexcused absence.

LEVEL INFORMATION

Faculty and teachers at Dreamer's Dance Company reserve the right to place students in the appropriate level. Students often spend at least two - three years in a level before continuing on to the next level. Teachers are more than happy to provide additional feedback and help students develop and succeed in their dance goals. To request a student evaluation or learn more about your dancer's placement, please contact us at admin@dreamersdanceco.com.

ANNUAL SHOWCASE INFORMATION

Dreamer's Dance Company dancers enjoy a final end of year recital to showcase all their hard work! All information will be posted to our website, in our Students, Families and Friends Facebook Group, and included in our monthly newsletter. It is important for parents to review all information regarding our Annual Showcase and communicate any scheduling conflicts in a timely manner.

SHOWCASE COSTUMES

Student's costumes are included in our all inclusive tuition structure. Costumes will be tried on in class once they arrive in studio! While most costumes are a good fit, sometimes the standard sizing needs a little help. Most times a quick stitch will suffice. All alterations will be the responsibility of the parent.

Costumes will be distributed to families in May. To ensure a smooth process, all tuition payments must be up to date before costumes can be taken home or before a dancer can participate in the end-of-year performance.
